## The Town Meeting

### The Town Meeting

What proved to be an unusually well attended town meeting to consider the eighteen articles in a regularly posted Warrant was held at the Town Hall on Tuesday evening of Election Day. Every available seat was occupied and many were compelled to stand or sit in the gallery. Particular interest was in the subject of a shortened school day with early transportation home for the primary grades, and this was voted by the passing of the article with the appropriation of \$172 from transferring funds from surplus revenue. Another article much discussed was the creation of a special committee to make a survey of conditions at Center School as regards facilities and comforts of the primary grades. A lot of folks had their say, ventilated their opinions and went afiel with their remarks. There was much to be said on the matter which prompted the article but when the vote was taken by ballot 95 no and 47 yes decided the matter.

The following transfers were voted to be made from surplus revenue: To install auxiliary lighting systems at Alexander Hall and No. 4 schoolhouse, \$250 for each installation; snow removal, \$1,400; old age assistance, \$5,000; aid to dependent children, \$900; and to erect a six-foot chain link fence on iron posts set in cement on the south line of the Center School playground, \$850.

The sum of \$365 was voted from the machinery account to purchase a new sanding machine.

The selectmen were authorized to dispose of equipment no longer needed by the town and to appoint a trustee to the Martha W. Alexander Fund to take the place of the late Charles C. Stearns. Mrs. Ernest Parker was nominated for the appointment.

Selectmen were given authority to dispose of the old schoolhouse lot on Maple Street.

The following various sums of money were accepted for the care of cemetery lots: From Alice V. Watson, \$150 for care of a lot in Mount Hermon Cemetery; from Albert S. Brigham estate, \$100 for the care of two lots in Center Cemetery; from Cora Preston and Pitts Preston, \$100 for care of the West Northfield Cemetery lot; \$100 for the care of Pennock lot of Asa A. Holton, and a \$500 trust fund for the care of the Cyrus Holton and other family lots in the Mount Hermon Cemetery.

## At Northfield Schools

Sunday, November 7, the guest speakers in Russell Sage Chapel and Mount Hermon Memorial Chapel will be the Rev. Truman Heminway of Shelburne, Vt., and Miss Mira B. Wilson. Miss Wilson will preach at Mount Hermon at the 10.30 A. M. service and Mr. Heminway will lead the morning worship service on the Northfield campus at 11 o'clock. In the afternoon Mr. Carlton W. L'Honnemieu, head of the Mount Hermon music department, and Mr. Albert R. Raymond, choral director of the schools, will be heard in a vesper recital in Sage Chapel at 4.30.

Dr. William E. Park will be guest speaker at vespers at Deerfield Academy on Sunday evening. Dr. Howard L. Rubendall will preach at the Emma Willard School and Williams College on the 17th and will take part in the Williams College Embassy on the 18th and 19th.

The dramatic clubs of both schools will present three one-act plays under the direction of Miss Genevieve Dennison, Miss Janet Jacobs and Mr. William Morrow. The plays will be given at Northfield on Friday, November 22, and a second performance will be held at Mt. Hermon on the 23rd. The plays include "Twelve Pound Look," by James Barrie; "Helena's Husband," by Philip Moeller, and "The Valiant," by Holworthy Hall and Robert Middlemass.

## Report Town Nurse

Our public health nurse for both schools and town, Miss Gowen, makes the following report for October: Total number of visits, 124; chronic, 81; acute, 10; infant health supervision, 10; adult health supervision, 7; pre-school health supervision, 2; school health supervision, 12; social service, 2; transportation, 12, and a talk to the School for Girls welfare group.

The nurse announces that the first of three diphtheria clinics will be given on Monday, November 18, in Alexander Hall. Parents who desire to bring their children should contact Miss Gowen.

## Car Insurance More

On Tuesday, November 19, there will be a hearing by the Department of Banking and Insurance on the proposed schedule of rates for compulsory insurance, in Boston. The proposed classification again places Northfield in the 16th territory to enjoy the lowest charges but the rate will probably be about a dollar more than last year. For private passenger cars the rate is expected to be \$16.20. Chelsea is in Territory 1 and is given a figure of \$59.40. The rates for motorcycles, trucks and other commercial vehicles are included in the schedule.

## Mr. Stickney Passes

Clarence L. Stickney of Brattleboro, of the Vermont People National Bank, died suddenly Monday, October 28, while at supper after a day of routine duties. He died as he had lived, in the midst of activities and in unselfish service. He was well known in Northfield by its residents, many of whom for years had depended upon him for financial advice and assistance. Even before his passing by a few hours on the same day he had been in consultation with East Northfield folk over financial affairs. He was highly respected and honored by all and his memory will not be easily forgotten.

## For Smith College

Plans were made recently for active participation in the Smith College 75th anniversary fund by a group consisting of alumnae of the college, parents of girls attending Smith and former faculty members of the college now resident here, at a meeting held at the home of Miss Mira B. Wilson, principal of the Northfield School for Girls and who is a trustee of Smith College. In the group were representatives from Northfield, East Northfield, Mount Hermon and Gill. Miss Lucy Titcomb is chairman of the local committee and Mrs. M. D. Birdsell is vice-chairman. Smith College Alumnae are hoping to secure \$4,300,000 by June, 1947, to celebrate the 75th anniversary, the fund to be used to raise faculty salaries, to enlarge scholarship opportunities and to make necessary building improvements.

## Obituary

MOODY, Jessie Holmes, beloved wife of Henry L. Moody, of 155 Schenck Ave., Great Neck, Long Island, N. Y., died on Thursday, November 7. Funeral services were at the Fairfield Chapel in Manhasset, Long Island, N. Y., on Saturday, November 9.

## School Schedule

The Northfield School Committee, at its meeting Thursday, November 7, 1946, voted unanimously to release first grade pupils, starting Tuesday, November 12, at 1.30 P. M. The buses will leave just as soon thereafter as the pupils are able to get ready.

The schedule of the first grade activities will be rearranged shortening the noon recess 15 minutes and omitting the afternoon recess completely.

The committee voted that the six days lost due to the closing of schools in September because of polio in town will be made up as follows:

Saturday, November 23, the high school only will be in session until 1.30 P. M.

December 30, 31 and January 2, 3, all schools in session.

All schools also will remain in session on Good Friday, April 4.

Miss Elizabeth Braley was the speaker on "India" at the meeting of the evening auxiliary of the Congregational Church at the home of Mrs. Roy Barrows Friday evening, the 8th.

## The Armistice Dance

The Armistice Day dance held the evening of Monday, the 11th, by a committee of Haven H. Spencer Post of the American Legion, the proceeds of which were to be given to the senior class of the high school for their Washington trip fund, was much enjoyed by all who attended. The young folks were given a most enjoyable evening at the Town Hall to music which enlivens. However, since the venture was not profitable there is regret but the committee desires to thank those citizens who assisted and lent their cooperation, especially to the four members of the senior class which represented the school's exclusive support.

## At Christmas Fair

From 2 to 6 P. M. on Saturday, December 7, there will be a Christmas Fair at Green Pastures, the home of Mr. and Mrs. Powell. Christmas wreaths, wrappings, cards, candles and decorations and all kinds of fancy work and toilet articles will be on sale. Calendars, knitted garments, bittersweet, plants and children's gifts will be among the objects on display.

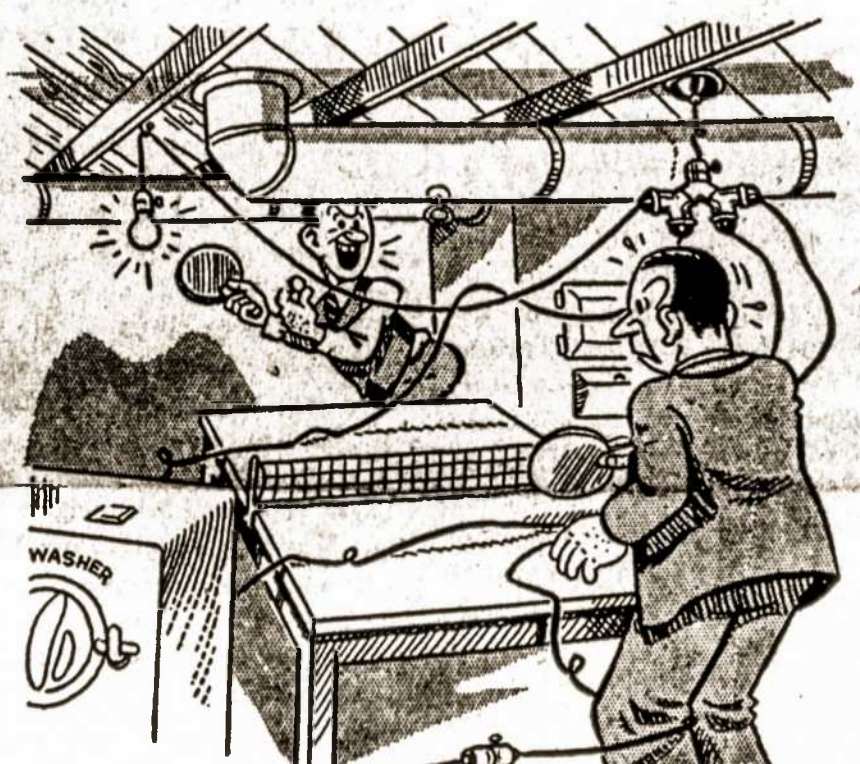

## Study Local History

Pupils of the fifth grade of our school recently enjoyed a diversion from their regular routine when under the leadership of their teacher, Mrs. Willis Parker, they visited the museum of the Historical Society and observed the many historical articles which left a keen impression on their minds and an eagerness to learn more of the community in which they live and have their being. The result of the visit is an incentive to more earnest study and to increase their knowledge of past and present activities. The teacher is to be congratulated for her endeavor in stimulating interest in human affairs.

Mrs. Ambert G. Moody has been on a visit with her daughter and husband, Mr. and Mrs. George W. Loos, at Princeton, N. J.

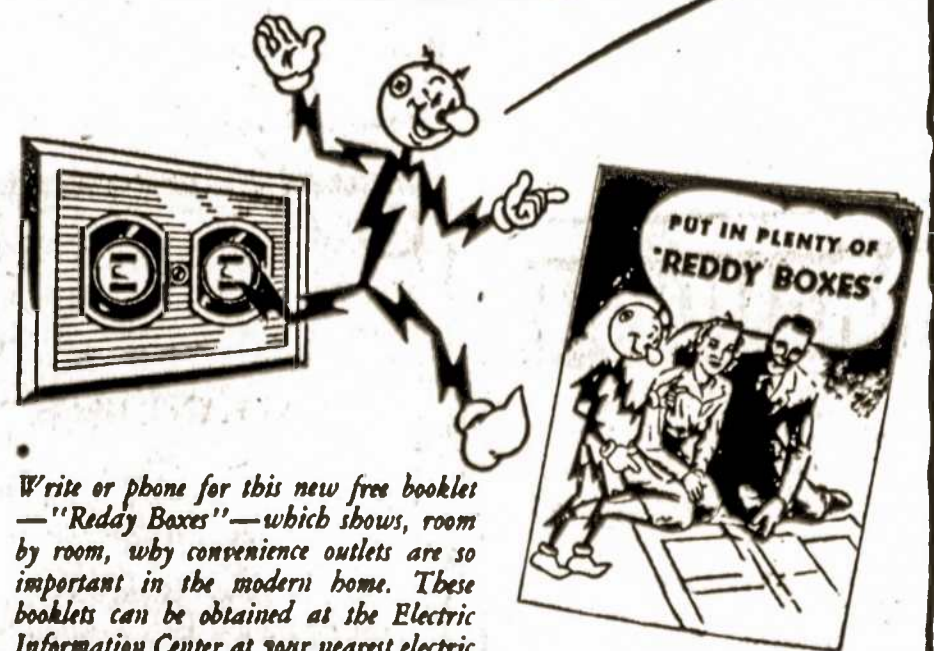

Tea, cocoa, cup cakes and sandwiches will be served by the Trinitarian Congregational Women's Missionary Society.

The proceeds of this Christmas Fair will be devoted to the new church fund.
